

August 2018

To: Waverly Park Parents/Guardians

Welcome to Waverly Park Elementary! We are excited about this upcoming school year as our PTA continues its wonderful relationship with the Waverly Park students, teachers, staff, and our community. Last year, our school had a **record 338 PTA members** and we are looking forward to adding many more this school year.

Our goal as a PTA is to advocate, engage, and empower our students, teachers, staff, parents, and community to work together for the benefit of the students and the community as a whole. PTA is the only child advocacy association that works for *every* child. Please consider joining the PTA and help to give every child a voice. The entire family can join; every member truly does count! Please see the attached membership form for details – there are 2 ways to join!

The PTA is responsible for many events throughout the school year and we invite you to join us. However, none of these events would be possible without continuous volunteer involvement. While volunteering is certainly not a requirement of PTA membership, members are welcome and encouraged to volunteer as it will most assuredly benefit the children, school, and the community. We have involvement opportunities for all schedules, availability, and interests.

Additionally, there are officers and committee chairmen on the PTA Board that plan and coordinate these events. The 2018-2019 Board has officer and committee chair positions that need to be filled. Please consider volunteering for a position. We need your time and talents! The children benefit so much because of YOU.

Our PTA supports many projects at Waverly Park that benefit students, teachers, school, and the community as a whole. Please see the attached for examples of how PTA has advocated for Waverly Park as well as a list of discounts available to PTA members.

If you have any questions or are interested in volunteering or serving on the board, please visit our website at www.waverlyparkpta.org, our Facebook page "[Waverly Park PTA](#)," our Instagram page "[@waverlyparkpta](#)," or email us at wavparkpta@gmail.com. Thank you for your support!

Sincerely,
